

MORGAN HIRE CAR ROUTE THE COTSWOLDS

The Cotswolds covers a huge area, almost 800 square miles, and runs through five counties (Gloucestershire, Oxfordshire, Warwickshire, Wiltshire and Worcestershire). One of the delights of visiting the Cotswolds is exploring the different areas, each with its own identity, yet all with those defining Cotswold features: golden stone and rolling hills, the 'wolds'. Beautiful driving roads make this stunning part of the country ideal for a top down #MorganAdventure.

We'd loosely recommend a loop that sticks to A and B roads taking in Upton-Upon-Severn, Pershore, Broadway, Snowhill, The Slaughters, Northleach, Burford and then back through Stow-On-The-Wold and Tewkesbury. The joy of the Cotswolds is turning off the beaten track, exploring the quintessentially English villages of honey coloured stone, enjoying the stunning scenery from the cockpit of a Morgan.
