

## Part Time Tour Guides Required

(Flexible, Zero Hours Contracts)

**Morgan Motor Company Limited** is looking for personable, confident, and charismatic individuals to join our team of part time factory tour guides.

### The Company

Located in Malvern, Worcestershire, Morgan Motor Company Limited is an innovative British sports car manufacturer; we have operated in the niche automotive sector since our launch in 1909 and now welcome over 30,000 visitors to site each year through our newly refurbished Experience Centre.

### The Role

Our factory tour guides are integral to the success of our visitor experience. Guides will use audio headset equipment to accompany small groups of visitors through the Morgan factory, and speak with confidence about all aspects of the Morgan business, its history, and our current model range.

Proficient drivers may also be required to provide passenger rides to customers as and when required.

Primarily based at the Morgan site, guides are often invited to attend various shows and events as company/brand ambassadors.

### The Person

Our tour guides are passionate car enthusiasts who enjoy meeting people. Previous experience in public speaking, sales or hospitality would be an advantage. Excellent communication skills and an engaging personality are key.

This would suit individuals looking for an uplifting and flexible work arrangement.

### Terms & Benefits

- Flexible, zero hours contract (with no minimum working requirement)
- Days to suit Monday to Saturday (could include Sunday's if attending shows)
- Paid per tour or driving experience (more details available on request)
- Holiday pay
- Branded uniform
- Employee discount scheme (vehicle/parts/merchandise/canteen)

### How to Apply

Please register your interest at [careers@morgan-motor.co.uk](mailto:careers@morgan-motor.co.uk)

## MORGAN FACTORY TOURS

Welcome to Pickersleigh Road, the historic home of the Morgan Motor Company for over 100 years. A destination for visitors from around the world, guided tours of the Morgan production line provide an automotive experience like no other.

Immerse yourself in the mix of rare craft skills and latest modern technology that goes into each Morgan sports car. Unlike other factory 'experiences', visitors to Morgan won't peer through viewing galleries, walk through imitation production lines or be shown the outside of factory buildings. A Morgan guided tour is authentic and real. Visitors are guided through every workshop – each one with its own sights, smells and sounds – by an experienced and knowledgeable tour guide.

## AN AUTOMOTIVE EXPERIENCE LIKE NO OTHER

Guided tours of the Morgan factory last around two hours and run during weekdays, or on selected Saturdays. Morgan welcome around 30,000 visitors per year and pre-booking your tour is advised, particularly during the summer season.

Limited to just 10 visitors per tour, an experienced and knowledgeable tour guide will introduce you to the Morgan brand, explaining the story and heritage of the company, before guiding you through each of the factory workshops, explaining how every Morgan car is hand crafted.

All visitors are issued with a headset to ensure they can hear the tour guide clearly in each workshop.

## THE MORGAN EXPERIENCE CENTRE

Opened in September 2020, the newly refurbished Morgan Experience Centre is situated on the same site as the factory and is where your Morgan experience will begin.

The Morgan Experience Centre is home to a range of other visitor attractions including sports car hire, experience drives, Morgan's on-site restaurant The Canteen, the official Morgan shop and all-new interactive museum, The Archive Room (opening January 2021).
