

COVID-19 Visitor Guidelines

The safety and well-being of all visitors to the Morgan Motor Company is our priority. In accordance with government advice, and in response to the COVID-19 pandemic, we have implemented the following measures to keep visitors and employees safe:

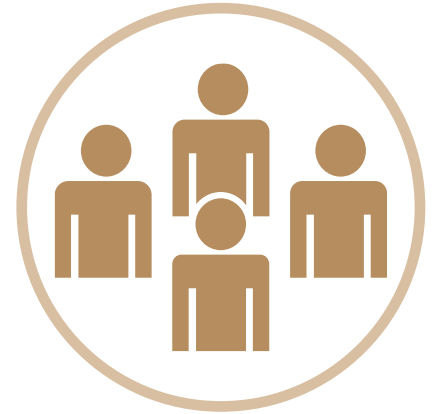

SOCIAL DISTANCING

All visitors must remain 2 metres apart where possible, or at least 1 metre if wearing a face covering. If you are displaying COVID-19 symptoms you must stay at home.

FACE COVERINGS

We ask all visitors to wear face coverings indoors, except when seated in the Canteen. If you forget to bring a face covering, don't worry – they are available at the Experience Centre.

CAPACITY

Factory tours will have a maximum capacity of 18 people, plus a tour guide. Tour groups will be asked to adhere to social distancing guidelines and a one-way system is in place throughout the factory tours.

SANITISATION

BSEN1276-grade hand sanitiser is available to everyone and will be available from automatic dispensers. We encourage all visitors and staff to wash their hands and use hand sanitiser regularly, especially after coughing or sneezing.

GUIDED WALKWAYS

Your tour guide will accompany you around the workshops. These are live working environments, so to ensure maximum safety, all visitors are asked to stick to the designated walkways.
