

Coachbuilder/Wood Mill Operative

An enthusiastic, adaptable, and self-motivated person is required for a key role at **Morgan Motor Company Limited**.

The Company:

Located in Malvern, West Midlands, Morgan Motor Company Limited is an innovative British sport car manufacturer; they have operated in a niche automotive sector since their launch in 1910.

The Role:

To work within the Wood Shop and Wood Mill machining and assembling wooden components for use in a variety of body frames and parts used across the Morgan range.

Main Duties:

While this is not an exhaustive list the main duties will include:

- To machine component parts using trencher, spindle moulder, overhead router, band saws, re-saw etc.
- To assemble wooden body frames and doors from component parts using hand tools, power tools, air tools and build fixtures.
- To assist with Apprentice training as and when necessary.
- Jig and pattern making as required.
- Supervision of work experience students if required.
- Stock taking and maintenance of stock.
- Forklift truck/handling of deliveries to woodshed if experience allows.
- Any other duties as required within the department relative to capabilities.

The Person:

An individual who will take real pride in the work they produce, ensuring our customers have the best possible experience of owning a Morgan. The ability to work within a team or individually to complete weekly production targets within standard times to the best quality. The ideal candidate will be enthusiastic, resourceful, flexible, and reliable as well as self-motivated with a positive outlook.

Skills, knowledge, training and experience required:

- Time served Apprenticeship in Joinery/Carpentry/Wood Machining.
- NVQ Level 3 or equivalent qualifications in Joinery/Carpentry/Wood Machining or proven experience.

- Previous experience of Wood Mill environment and machinery.
- The ability to read drawings, assembly manuals and schematic diagrams.
- Previous experience of jig making would be beneficial.
- Forklift truck license would be desirable but is not essential.
