

MORGAN MOTOR COMPANY ANTI-SLAVERY STATEMENT

Modern Slavery and Human Trafficking Modern Slavery is a term used to encompass slavery, servitude, forced and compulsory labour, bonded and child labour and human trafficking. Human trafficking is where a person arranges or facilitates the travel of another person with a view to that person being exploited. Modern slavery is a crime and a violation of fundamental human rights. Morgan Motor Company is a company that expects everyone working with us or on our behalf to support and uphold the following measures to safeguard against modern slavery.

We have a zero-tolerance approach to modern slavery in our organisation and our supply chains. The prevention, detection and reporting of modern slavery in any part of our organisation or supply chain is the responsibility of all those working for us or on our behalf. Workers must not engage in, facilitate or fail to report any activity that might lead to, or suggest, a breach of this policy. We are committed to engaging with our stakeholders and suppliers to address the risk of modern slavery in our operations and supply chain.

We take a risk based, approach to our contracting processes and keep them under review. We assess whether the circumstances warrant the inclusion of specific prohibitions against the use of

modern slavery and trafficked labour in our contracts with third parties. Consistent with our risk based approach we may require; employment and recruitment agencies and other third parties supplying workers to our organisation to confirm their compliance with our policy and suppliers engaging workers through a third party to obtain that third parties' agreement to adhere to the policy.

As part of our ongoing risk assessment and due diligence processes we will consider whether circumstances warrant us carrying out audits of suppliers for their compliance with our policy. If we find that individuals or organisations working on our behalf have breached this policy, we will ensure that we take appropriate action. This may range from considering the possibility of breaches being remediated, and whether that might represent the best outcome for those individuals impacted by the breach, to terminating such relationships.

Suppliers will be asked to complete a questionnaire on Anti Slavery (**Appendix 6**). MMC will then decide whether to carry out an on site audit of the supplier. The results of the questionnaire will also contribute to a supplier's overall score rating at Morgan and could affect future business.
